UUM IS LISTED IN THE YOUNG UNIVERSITY RANKINGS 2019

UUM ONLINE: The reputation of Universiti Utara Malaysia (UUM) as the Eminent Management University continues to consolidate on the international front when it is listed for the first time at the 201-250 band in the Times Higher Education (THE) Young University Rankings 2019 announced yesterday.

The Vice-Chancellor, Prof. Dr. Ahmad Bashawir Abdul Ghani said UUM once again added yet another feather to its cap with the latest achievement when it made it to THE Young University Rankings.

According to him, the success achieved was history for the university as well for its denizens. The campus community should be proud of being part of this achievement.

"UUM is 35 years old and it has achieved numerous accomplishments both nationally or internationally and these achievements have certainly made all the denizens of UUM proud. Making it in the list as one of the world's best university is no easy task as it involves the university's reputation in many aspects.

The Vice-Chancellor urged the denizens of UUM to continue to work hard to ensure the success of the other aspects on the university agenda. According to him there was still much to be done to put UUM on par with other world renowned universities.

THE Young University Rankings adopts five indicators when rating global universities namely teaching (learning environment), research (total, income and reputation), citation (research influence), international views (staff, students and research) and industry income (transfers knowledge).

This 2019 ranking also involved a total of 351 universities from around the world, an increase from 250 in 2018.
