Brief description

If you would like to make a presentation, you should send an abstract of your oral presentation (maximum 300 words, together with a translation into English if necessary) to the Secretariat at scicosh@niosh.com.my no later than **November 11, 2011**.

The organizer will evaluate the abstract and will determine if the abstract is eligible to be an oral presentation or poster presentation. However the participants may directly choose to have their paper to be presented as a poster.

If you would like to present a poster, you should send an abstract of your poster (maximum 300 words, together with a translation into English if necessary) to the Secretariat at scicosh@niosh.com.my no later than **November 11, 2011**. The organizer will determine which posters are eligible to be presented.

Guidelines For The Presentation Of The Abstract

Abstracts should be presented in MS Word format, with font size 12, font type Arial/Times New Roman and line spacing 1. The title should be in capital letters using font size 14 and bold. At the top right corner, the author's title and full name should be followed on the next line by their University / Institution / Organization.

Guidelines For Posters

Participants wishing to submit their posters should print their posters in the dimension of 90 x 70 cm at the top of each poster the title of the poster, the name of the author and the institution they work for should be included. The contact address of the author should be also being noted.

A brief purpose of the poster should be included in the introduction. Following this, the method, materials used and findings should be presented. Purpose-oriented discussions should be finalized with a conclusion.

Selected presentation papers will be published in OSH Journal.
