The International Journal of Banking and Finance (IJBF) is part of the International Society for Banking & Finance (ISBF) efforts to provide a publication forum for international scholars in banking and finance to disseminate their theoretical, empirical and applied research through anonymously blind peer review process. It is published by the Universiti Utara Malaysia twice a year. Areas of interest for this journal include, but are not limited to, the following topics: corporate finance, investment and portfolio analysis, financial institutions, international finance, investment banking, banking crises, credit risk modelling, risk management, financial engineering, asset pricing, derivatives, mergers and acquisitions, corporate governance, behavioural finance, venture capital, real estate, accounting and financial reporting, monetary policy and financial economics .

Please refer to <http://e-journal.uum.edu.my/index.php/ijbf/index> for further information regarding IJBF.

Thank you very much.
