(THE EMINENT MANAGEMENT UNIVERSITY)

السلام عليكم ورحمة الله وبركاته

UUM ONLINE: On 4th-7th July 2017, P2A UUM received 16 students and one visiting lecturer from Rangsit University, Thailand. They participated in P2A program hosted by Universiti Utara Malaysia under Student Development and Alumni Office CAS. P2A is a non-profit Network that was officially formed in June 2012 during the First Assembly of Representatives hosted by Rangsit University in Thailand. The concepts of P2A were established, which were based on the vision of the ASEAN Charter: "One Vision, One Identity" and creating "one caring and sharing community". Passage to ASEAN is driven by the need for regional solidarity and a shared responsibility towards people and society as a whole. P2A was initiated with the principle that higher education should be a leader in the development of society.

During the first day of the visit, they were welcomed with cultural sharing activities by UUM buddies and staffs of SDA office. The next day, the participants were thrilled to participate in jungle trekking activities. They were amused with the beauty of 'Pokok 3 Beradik' and the green forest of UUM. They were served lunch by the lake and later had a tour around UUM campus.

As for the second day, they visited the latest attraction nearby our University, the whimsical house and continued their trip to Kedah Paddy Museum to appreciate our local heritage. They also visited the National Science Center in Alor Setar.

On the last day, an informal experience sharing was held. Rangsit student and their lecturer Mr. Gary, were delighted with their experience in UUM and appreciate our hospitality in receiving them. A certificate ceremony was conducted by Practicum Coordinator, Dr. Rahayu Ahmad. Rangsit University wants to return back to UUM with other group of students and strengthen the P2A partnership.
