Sukacita dimaklumkan bahawa Executive Education Profesional Development (EPPD) akan mengadakan kursus seperti berikut:

ENHANCING PEDAGOGICAL PROFICIENCY OF TEACHERS

ABSTRACT

Pedagogical proficiency of teachers is imperative for providing quality education to students. In order to become proficient in teaching and learning, teachers need to elevate themselves from the practice of mere procedural pedagogy to more efficient generic and subject-content pedagogy. Teachers can achieve higher levels of pedagogical proficiency through peer observation, joint planning, and post-lesson evaluation that allow critical review and reinterpretation of their own teaching. This workshop shall introduce six key principals of effective teaching and assist teachers increase their efficacy and adopt new classroom practices and behaviours via collaborative inquiry.
