Subject: CALL FOR PAPERS : JOURNAL OF INFORMATION AND COMMUNICATION TECHNOLOGY (JICT)

"UUM : UNIVERSITI PENGURUSAN TERKEMUKA"
(THE EMINENT MANAGEMENT UNIVERSITY)

24 September 2014 / 29 Zulkaedah 1435H
Assalamualaikum W.B.T and 1Malaysia Greetings!

This journal covers all aspects of information and communication technology, its theories and applications. The aim of this journal is to provide coverage of the most significant research and development in the area of information and communication technology. To be accepted, a paper must be judged to be truly outstanding in its field and to be of interest to a wide audience. We are particularly interested in work at the boundaries, both the boundaries of subdisciplines of information and communication technology and the boundaries between information and communication technology and other fields. Internationally listed in SCOPUS, Directory Open Access Journal (DOAJ) and MyCite.

Current and past issues are available at <http://jict.uum.edu.my>

CALL FOR PAPERS

Journal of Information and Communication Technology (JICT) is a refereed journal published by Universiti Utara Malaysia. The journal covers all aspects of information and communication technology, its theories and application. The journal is published in English and it is open to authors around the world. Coverage will include but is not limited to issues surrounding: *Computer System Organization, Hardware, Software, Data, Theory of Computation, Mathematics of Computing, Information Systems, Computing Methodologies, Computer Applications and Computer Milieus.*

Manuscript Specifications

The entire manuscript, including abstract of 150-250 words and key words (not more than eight key words). Tables, figures and references, should be within 5000 words and should be typed, double-spaced, on A4 paper in 12 point Times New Roman font. Standard margins (1" on the top and bottom and 1.25" on the left and right), on one side of the paper only, with pages numbered consecutively.

Authors' names, affiliations, postal addresses, e-mail addresses, telephone, fax numbers and biographical data of not more than 50 words should be submitted on a separate covering page.

Headings: Headings must be short, with a clear indication of the distinction between the hierarchy of headings. The preferred format is for headings to be presented in bold format, with consecutive numbering.

Notes/Endnotes: All endnotes should be used only if absolutely necessary and must be identified in the text by consecutive numbers and listed at the end of the article.

Tables and Figures: Tables and Figures should be part of the text. All Figures should be submitted in both electronic form and as hard copy originals. Tables should not be submitted as graphic elements. Supply succinct and clear captions for all tables and figures. They should be numbered in Arabic numerals.

References and Style: The style and bibliographic references should conform to the conventions specified in the Publication Manual of the American Psychological Association (6th ed.). References, only of works cited, should be listed in full at the end of the paper arranged alphabetically.
