

Management. The Finance Minister of the Govt. of India is the President of the Institute and the Secretary (Expenditure) of the Govt. of India is the Chairman, Board of Governors. The Institute is guided in its activities by a group of very senior Officers of the Govt. of India dealing with finance and accounts viz. Dy. Comptroller and Auditor General, Financial Commissioner (Indian Railways), Controller General of Accounts, Member of the Finance, Telecom Commission, Secretary (Defence Finance) and eminent academicians in the relevant fields. The Institute imparts training to officers of the Govt. of India, State Governments and Public Sector Undertakings in India and managers of Private Corporate Sector organizations. The Institute has been recognized as a Nodal Institute by the World Bank, Asian Development Bank and various foreign governments such as the Govt. of Sri Lanka, and the Govt. of Bhutan for imparting professional training in Budgeting, Accounting, Financial Management, Procurement Systems and Information Technology. Apart from conducting numerous Management Development Programmes on subjects of topical interest, NIFM runs six long-term programmes which include (i) Two Years full time Post-graduate Diploma in Management(Financial Management) approved by AICTE and Association of Indian Universities (ii) One Year Post Graduate Diploma in Public Financial Management (PTC) (iii) One Year Diploma programme in

Government Accounting and Internal Audit (iv) One Year Executive Programme in Capital Markets in collaboration with Bombay Stock Exchange; (v) Four Years Fellow Programme in Management (FPM); and (vi) Three Months Certification Course on 'Cyber Security and Computer Forensics' in Collaboration with Gujarat Forensic Sciences University, Gandhinagar and in academic alliance with Microsoft(MSDNAA)".

The Institute has academic collaboration with International Institutions/Universities namely Manchester Metropolitan University, UK; Royal Institute of Public Administration, UK; International Centre for Promotion of Enterprise, Slovenia; Asian Institute of Management, Philippines, Universiti Utara Malaysia, Edinburgh Business School, UK.

The Institute has been established in a 42-acre beautifully landscaped campus near the picturesque Badhkal Lake in Faridabad in Haryana, a neighbouring State of Delhi (India) and is located just 35 km from the IGI Airport, New Delhi. The campus comprises large and sprawling stone buildings with modern lecture halls and auditoriums fitted with all the necessary audio-visual equipment. The Institute has a modern air-conditioned library consisting of over 20,000 books and journals, state-of-art Computer labs, Wi-Fi connectivity in the campus, in-door sports complex, etc.
