4th International Conference on E-Commerce
ICoEC 2017
18-20 SEPTEMBER 2017, PUTRAJAYA, MALAYSIA

CALL FOR PAPERS AND JOURNAL PUBLICATION OPPORTUNITY
4th INTERNATIONAL CONFERENCE ON E-COMMERCE (ICoEC) 2017
18-20 September 2017
Putrajaya, MALAYSIA

The theme of this conference is "Empowering the Digital Economy: Opportunities and Challenges". Conference papers will be invited through the "Call for Papers" related to numerous E-commerce areas. Scopes of paper include, but are not limited to the following topics:

- E-commerce, digital business and digital economy
- Digital crime, IS security and privacy
- Enterprise system (Enterprise resource planning (ERP), Supply chain management (SCM), Customer relationship management (CRM), Knowledge management (KM))
- Big data and Internet of things
- Social media analytics and business practices
- IT governance, risk management, control and auditing
- Technology and science application
- Information systems (Accounting, Management, Business, Health etc.)

PUBLICATION OPPORTUNITY

Accepted papers will be published in the conference proceeding and Scopus Journal. Authors will be required to transfer copyright of their paper to ICoEC. The proceedings will be available in the ICoEC Digital Library which can be accessed online, and will also be available in hard copy after the conference. The proceedings will be sent to ISI Thomson and Scopus for indexing.

Extended version of the paper will be published in one of the following journals*:

- International Journal of Business Information Systems (IJBIS)
- Journal of Electronic Commerce in Organizations (JECO)
- Journal of Telecommunication, Electronic and Computer Engineering (JTEC)

- Journal of Technology Management and Business (JTMB)
- International Journal of Business and Society (IJBS)
- International Journal of Digital Accounting Research (IJDAR)
- International Journal of Accounting Information Systems (IJAIS)
- International Journal of Supply Chain Management (IJSCM)

**Before submission, papers need to be formatted as per the journal requirements. Authors need to further develop their papers (e.g. adding in any other findings, expanding in some areas and drilling deeper into others, to justify a good journal publication) and to submit their papers for possible publication in the journal. Papers will undergo the journal's peer review process.*

IMPORTANT DEADLINES
