

Scientific Conference On Occupational Safety and Health (SCI-COSH)

Introduction

NIOSH is pleased to organise an Inaugural Scientific Conference on Occupational Safety and Health (SciCOSH) that aims to bring together all OSH professionals and researchers for networking, education and knowledge sharing. This conference served as a venue where the current and ongoing research in OSH in Malaysia can be shared and the future OSH research needs can be identified and planned. Therefore, all professionals, researchers and students are welcomed to participate in NIOSH inaugural Scientific Conference on Occupational Safety and Health (SciCOSH).

We hope that you will view this as an opportunity to capture the interest and influence the decision of a highly targeted audience as well as impart your knowledge and share experiences with others who are anxious to learn from you.

Objectives

- To provide a forum for the exchange of new information and practices aiming at the promotion of Occupational Safety and Health.
- As a venue to OSH professionals and researchers for the development of knowledge and sharing of strategies on current and future research in OSH.
- Setting up the Nation OSH R&D roadmaps and priority areas.

Call For Papers

The organising committee welcomes submissions of presentations for consideration for this event. The presentation can be in one of the following topics:

- Personal Protective Equipment
- Measuring Equipment
- Physical capacity measurement
- Ergonomic design
- Mental Health
- Behavioral Based Safety
- Standard and regulations
- Engineering Control
- Risk assessment tools
- OSH Training Needs Analysis
- Work environment assessment
