ASEAN STUDENT MOBILITY PROGRAMME STRENGTHENS REGIONAL EDUCATION NETWORK

UUM ONLINE: Subang Jaya - The ASEAN Student Mobility Programme continues to serve as a key catalyst in strengthening regional education networks through the ASEAN Education Forum 2025 (AEF 2025), which took place for two days here.

The 14-day programme, organised in collaboration with Universiti Utara Malaysia (UUM), provided a platform for 500 mobility students from Malaysia, Brunei Darussalam, Cambodia, Indonesia, Laos, Myanmar, the Philippines, Singapore, Thailand, Vietnam and Timor-Leste to engage in cross-border academic experiences.
