UUM RESEARCHERS EXCELLED AT ITEX 2018

UUM ONLINE: Kuala Lumpur – Universiti Utara Malaysia (UUM) continues to highlight excellence as five of the University research teams won three gold and two silver medals at the 29th International Invention, Innovation & Technology Exhibition (ITEX2018) which lasted for two days from 10 to 12 May at the Kuala Lumpur Convention Centre (KLCC).

Director of the UUM Innovation and Commercialization Centre (ICC) , Assoc. Prof. Dr. Razamin Ramli said UUM came up with five innovative products: Tayammum Kit (Special and Gold Award), Lead To Lead Recommender (gold), Property Insights - Analytics & Visualization for Property Intelligence (gold), KIT-Hip, UUM Sintok: Hydroponic Prearranged

Scan Card, Universiti Utara Malaysia Sintok (silver) and PM-TAG: Persuasion Multimedia Truancy Awareness Game (silver).

She was also very proud of the triumph achieved by the UUM researchers this year and the ICC will implement proactive follow-up measures to ensure that all the research products can be commercialized.

"ITEX is an international conference organized by MINDS (Malaysian Invention and Design Society) which is a gathering of local and international inventors and scientists in the field of science and technology that brings together the latest inventions and innovations produced by universities, research institutes, individual creators and start-ups / spin-off companies from ASEAN, Asia and Europe countries.

"In addition, ITEX is also listed as a research exhibition accepted by Malaysian Research Assessment (MyRA) instrument and with medal quotes this time, some will help improve the achievement of MyRA UUM 2018," she said.
