Celcom Axiata Berhad

Celcom is the country's first and foremost mobile telecommunications provider with almost 14 million customers. Established in 1988, it boasts the widest national 2G, 3G and 4G LTE networks, covering over 98% of the population. Currently the largest mobile broadband and corporate services provider, Celcom is now moving towards integrated multi-access and multimedia services, in line with evolving technologies and consumer behaviour in Malaysia. A culture that places the customer first is reflected in our award-winning customer service, products, and other corporate accolades at a regional level. Celcom is part of the Axiata Group of Companies, one of the world's largest telecommunications companies, with close to 230 million customers across 9 Asian markets.
