"UUM : UNIVERSITI PENGURUSAN TERKEMUKA"
(THE EMINENT MANAGEMENT UNIVERSITY)

UUM RANKED 7th WORLD BEST IN GREEN EDUCATION

IPQ ONLINE: Universiti Utara Malaysia (UUM) once again proves its determination in the international ranking when listed for the first time in the UI GreenMetric *World University Ranking*. Based on the result announced on 22nd January 2016, UUM has successfully placed itself at 45th in the world.

UUM achieved encouraging result in the education category ranked at 7th place in the world.

The success of this ranking hinges on the offered environmental courses in the academic programmes and number

UUM also was ranked first in the *transportation* and *education* categories. This indicated that UUM is taking a serious effort to educate the campus members and others in general of the importance of environmental care. Apart from that, this also proves the active role of UUM academicians involves in researches and publications related to the environment being recognised. This in turn will inspire the *Discovery UUM* programme this year.

Particularly, UI GreenMetric indicators are Setting and Infrastructure (15%), Energy & Climate Change (21%), Waste (18%), Water (10%), Transportation (18%) and Education (18%).

Setting & Infrastructure looks into the university's involvement in providing green environment and environmental care. While *Energy & Climate Change* refers to the university's effort in energy efficiency management, and at the same time takes nature and energy resources into account.

Waste refers to the *programme and waste treatment* emphasised by the university, i.e. organic waste treatment, recycle programme and policy to reduce the use of plastics and polystyrenes in campus. *Water* on the other hand, refers to the effort to reduce water wastage. *Transportation* refers to the policy in the effort to reduce the use of motor vehicle in campus. Lastly, *Education* looks at the university's role in creating future generation who cares about the environment.

IPQ as the secretariat will keep driving and collaborate with all PTJ to ensure UUM's world ranking agenda is realised successfully. Hence, members of UUM should start working together developing strategies and initiatives to improve UUM ranking to a higher level in the UI GreenMetric rating in the future.

IPQ would like to extend highest gratitude to the UI GreenMetric working committee involves in the process of ranking such as JPP, RIMC, HEP, STML, STHEM, SOG, Webmaster, UUM Press, PSB, Registrar, UUMIT, Department of Security, Bursar's Office and UNIC.
