

International Event : Ideations and Innovations in e-Government, Green Technology and Healthcare

I2EG - 11

Venue : Berjaya Times Square,

Kuala Lumpur Malaysia.

Date : 27, 28 Jun 2011

Time : 8.30 am - 5.30 pm

This event is about the theory and practices of Ideation and Innovation. Speakers from E-Government, Green Technology and Healthcare verticals will share their expertise and knowledge in applying ideation and innovation in their respective fields. This will help the delegates to understand Ideation and Innovation in broader scope and appreciate the benefits at large.

Objective

- To bring the culture of ideas nurturing in organization
- To bring awareness on the usage and benefit of innovation in imperative verticals
- To nurture ideas by using ICT and technical applications
- Innovation to bring sustainability in Environment and Health
