OYAGSB STRENGTHENS COMMUNITY TIES THROUGH AUTISM AWARENESS PROGRAM "TOGETHER, WE CREATE BRIGHTER FUTURES"

UUM ONLINE: Alor Setar - Autism is a lifelong neurodevelopmental condition that affects brain function, influencing an individual's ability to communicate, interact, and learn. In recognition of the importance of inclusivity and support for individuals with autism, the Othman Yeop Abdullah Graduate School of Business (OYAGSB) organized a community engagement program in collaboration with the National Autism Society of Malaysia (NASOM). The event took place on 10 February at NASOM.

Postgraduate students and staff from OYAGSB actively participated in the program, engaging with children through various interactive and educational activities. These included hands-on gardening sessions, where the children learned to plant flowers, food preparation activities, and group games aimed at promoting teamwork and social interaction.
