Assalamu'alaikum dan Good Day.

YBhg Dato' Seri / Datin / Prof. / Prof. Madya / Dr. / Mr. / Mrs. / Ms.

Dear our beloved users,

You are cordially invited to join a free Emerald Publishing webinar on **TEACHING THE IMPACT OF VACCINE ROLLOUT FOR BUSINESS & INTERNATIONAL RELATIONS – ASIA PASIFIC** which will be held on **24th June 2021 at 3.00 PM Malaysia time**. Please find the attached poster for your reference.

We've partnered with internationally respected organisation 'Oxford Analytica', to give academics access to the same information global leaders have at their disposal to assist research and learning.

The roll-out of Covid-19 vaccines is now underway in many countries across the Asia Pacific and around the world. **What does this mean for the region – socially, economically, and politically?** And how do countries in the Asia Pacific now sit in the wider context of the global pandemic?

[Join our free webinar](#) where, **Dr Joydeep Sen**, Senior Analyst for Asia Pacific, draws on input from the Oxford Analytica's global network of more than 1500 academics, former policy makers and business leaders to provide insights you can use to:

- **Keep your teaching fresh and engaging**
- **Develop students' core skills in using and presenting information for decision-making**
- **Give your students the chance to apply their learning to real world events as they are unfolding**
- **Inspire students with expert analysis normally reserved for government and big business**
