VCX MEET AND GREET SESSION WITH DENIZENS OF GRANTT AND TM

UUM ONLINE: On his third day as Vice-Chancellor, Prof. Dr Mohd Fo'ad Sakdan, continued his 'moreh' tour, meeting with and listening to students talk about their concerns and hopes.

He spent last night with the INASIS Grantt and TM students in Dewan TM, after the tarawih prayer.

During the session, Prof. Dr. Mohd Fo'ad Sakdan talked about his time as Principal at INASIS Grantt (previously EON) and then took questions from the students.

According to him, students in leadership roles, should think maturely, act rationally, and look at problems from a variety of perspectives.

"When confronted with a challenge, maintain your composure and make every effort to resolve the issue or problem, keeping in mind that there is undoubtedly a way or the most appropriate solution.

"I hope that this student leadership will practise and use consensus methods when discussing with each other," he said.

At the same time, he emphasised to the students the significance of gaining as much experience as possible, particularly in the areas of personality and soft skills, before going into more difficult professional settings.

Additionally, the Vice-Chancellor provided an answer to a question concerning a fee reduction discount for student leaders at the INASIS level, where he and the Deputy Vice-Chancellor (Student Affairs and Alumni), Prof. Dr. Ahmad Marthada Mohamed will discuss the policy.

In fact, he agreed with the request to increase the number of sporting events that were held and has expressed his willingness to be a sponsor for a special cup that will be used for the organisation of sporting competitions.
