UUM TAKES PART IN LIMA'19

UUM ONLINE: For the first time, Universiti Utara Malaysia (UUM) will be taking part in the Langkawi International Maritime and Aerospace Exhibition (LIMA'19) which will be held from 26 to 30 March at the Mahsuri International Exhibition Centre, Langkawi.

UUM's participation in the LIMA'19 exhibition is aimed at introducing UUM's products to the general public, particularly in the university's research products and field of expertise. Apart from gaining publicity, this participation hopes to seek out collaborative opportunities, especially among the industry participating in the exhibition.

In addition to highlighting patented products, the opportunity to participate in this prestigious international event is also undertaken to promote UUM's academic programmes either at the Undergraduate or Postgraduate level Bachelor's Degree or Graduate.
