UUM SOARED IN THE UI GREENMETRIC WORLD UNIVERSITY RANKINGS 2019

UUM ONLINE: Universiti Utara Malaysia (UUM) has made a leap as the 64th world's best university in the UI GreenMetric World University Rankings 2019 announced recently.

The position is 12 positions up compared to year 2018 when UUM was ranked 76th in the world and fourth in Malaysia.

The Vice-Chancellor, Prof Dato' Dr Ahmad Bashawir Abdul Ghani said the achievement was indeed a proud accomplishment for UUM as year after year it continued to showcase its best achievements and its rise to be globally recognised.

"I fervently hope that the denizens of UUM will continue to strive to maintain the university's ecological greenery and ensure UUM continues to be recognised worldwide for the beauty of its flora and fauna, as well as for the variety of facilities available in campus which are not only made available for the campus community but more so for tourists and future generation, " he said.

In addition, UUM is ranked in the top 50 in the world in three categories namely Education (20th), Transportation (22nd) and Setting & Infrastructure (26th).

The UI GreenMetric World University Rankings assesses campus sustainability in six key categories namely Setting & Infrastructure (15%), Energy and Climate Change (21%), Waste (18%), Water (10%), Transportation (18%) and Education (18%).

The UI GreenMetric World University Rankings is designed to enhance campus sustainability, while at the same time supporting the United Nations Sustainable Development Goals (SDG) agenda.

This year, the UI GreenMetric World University Rankings has successfully ranked a total of 780 universities from 85 countries compared to 719 universities from 81 countries in 2018.
