

A courtesy visit by Universitas Prima Indonesia

The School of Business Management (SBM) welcomed delegates from Universitas Prima Indonesia (UNPRI) led by Mr Teng Sauh Hwee, the Head of International Cooperation and Mr Abdi Dharma, the Head of the Central Information.

UNPRI is one of the Private Institute of Higher Learning located in Medan, Indonesia and was established in 2005. UNPRI offers variety of programs ranging from first degree to Masters.

The main agenda of the discussion is focused on the strategic cooperation prospects that can be exploited between UNPRI and SBM such as the double degree, student mobility and lecturers exchange programs. Furthermore, the discussion also explores the opportunities to tap on other academic ties like 'matching grants' and 'joint conferences' between UNPRI and SBM.

Department of Health joins Msc. OSH Programme

A meeting was held between the School of Business Management (SBM) and the National Union of Assistant Medical Officer for Peninsular Malaysia representing the Melaka Health Department headed by Mr. Hj. Mohd Awal Din and Mr. Hj. Amin Abd Rahman with the aim to discuss in details with regards to the offering of Master of Science in Occupational Health and Safety Management (MSc. OSH). The first cohort of students from the Department of Health is expected to commence the MSc. OSH in Melaka soon.

Through the implementation of the MSc. OSH programme with the National Union of Assistant Medical Officer for Peninsular Malaysia, it is expected that the groups who will be joining the programme are able to improve knowledge and skills in their field and later be an inspiration to their respective colleagues and others.

Strategic collaboration with GiatMARA North Zone

The School of Business Management (SBM) received a visit from GiatMARA North Zone to discuss further on a collaboration project for Training of Trainers (ToT) Programme. The team who was headed by Mr. Ferdous Othman was welcomed by the Dean, Prof. Dr. Haim Hilman Abdullah, and is accompanied by Ms. Norizan Azizan, Prof. Dr. Kamal Ab. Hamid, Dr. Abdul Manaf Bohari and Mr. Juha Ali.

GiatMARA is an institution aiming to provide the technical and vocational skills through hands on teaching and learning. To date, there are 15 GiatMARA in Kedah, 6 in Pulau Pinang and 3 in Perlis.
