On the 25th and 26th of July 2016 recently, Enactus UUM participated in an annual event of Enactus Malaysia which is Enactus Malaysia National Competition (EMNC) 2016. The event was held at Matrade Exhibition and Convention Centre in Kuala Lumpur. A total of 28 members of Enactus UUM, who were accompanied by Faculty Advisors, Assoc Prof. Dr Abdul Rahim Othman and Dr. Mohd Najib Mansor were involved in this competition.

For this year, Enactus UUM team presented two ongoing projects which are 4Nature and Co&Coal. During the opening round, the UUM team was placed in League C, competing with UniMAP and UMP in which the team has successfully advanced into the final round. Their accomplishment qualified Enactus UUM to move to the final round of the competition for five consecutive years of EMNC.

With the presentation theme of "The power of optimism", Enactus UUM has successfully completed this competition as a runner-up. The Enactus team of UniTEN has been announced as the national champion and will represent Malaysia in the Enactus World Cup in Canada this year.
