THE UUMIS BOARD OF GOVERNORS HELD ITS FIRST MEETING IN 2023

UUM ONLINE: UUM International School's Board of Governors held its first meeting of the year, chaired by Deputy Vice-Chancellor (Academic and International), Prof. Dr. Shahimi Mohtar who is acting on the behalf of the Vice-Chancellor.

The meeting was also attended by Prof. Dr. Abdul Malek Abdul Karim, Dr. Mohd Herry Mohd Nasir and Datin Paduka Dato' Azuyah Hassan.

UUMIS was established in 2014 as an education provider for the children of foreign students and lecturers at UUM.

Since then, and with an increasing trend of Malaysian parents choosing the alternative curriculum offered by the International School, UUMIS has attracted enrolment not only from UUM's local and foreign populations, but also from other states and countries.

The main attraction of UUMIS is the offering of an international curriculum at a competitive price, making it affordable to many. Studying at an international school will help children grow in personality, develop increased self-confidence and maturity, and gain a wider perspective on other cultures while appreciating their own.

It is also a great opportunity for students, as they build a solid network of lifelong friends and contacts from different states and countries that could prove useful later in life. A child who has received an international education is likely to be an advantage, particularly with employers who seek candidates with savvy social interaction and cross cultural knowledge.

The board members are committed to sharing their knowledge, expertise, and resources to ensure UUMIS continues to thrive. They also expressed their hope that UUMIS will become a successful unit and a great support system for UUM.
