INTERNATIONAL CONFERENCE
ON CORRIDOR DEVELOPMENT 2012

INTERNATIONAL CONFERENCE ON CORRIDOR DEVELOPMENT

27 – 29 November 2012
Equatorial Hotel, Penang

Introduction

Five of Regional Development Corridor Iskandar Malaysia, NCER, ECER, SCORE and SDC which was created under the Ninth Malaysia Plan to stimulate regional development towards balanced growth and to bridge income disparities. Under the Tenth Malaysia Plan (2011-2015), regional economic development will be accelerated by focusing on a number of high-density clusters in the corridors that have sector and geographic advantages. Clustering enable the company to benefit from the same source, facilitating the matching of labor market and contribute to knowledge sharing.

The Conference Aims To:

- ◆ Facilitate exchange of Ideas on contemporary issues and challenges of corridor development at national and international level;
- ◆ Provide networking among stakeholders of corridor development at national and international level;
- ◆ Generate Innovation Ideas to produce a broad impact and sustainable development in corridor development region.
