KYOTO JAPAN: SWEET MEMORIES, I WORKED AT UUM WELCOME CENTRE FOR 9 DAYS - RENA

ANJUNG TAMU ONLINE: Anak kelahiran Kabutodai, Kizugawa City, Kyoto Japan, Rena Arahari mengucapkan, "Terima kasih!" kepada UUM khususnya Pusat Kerjasama Universiti-Industri (CUIC) serta UUM Welcome Centre yang membekalkan memori terindah sepanjang beliau menjalani praktikum di UUM.

Rena, pelajar Kyoto Sangyo University yang periang, rajin, komited, serta mempunyai disiplin diri yang tinggi telah membuktikan beliau mampu melaksanakan tanggungjawab yang diberikan dengan cemerlang semasa 9 hari di Welcome Centre. Memang tidak hairanlah Jepun mampu membangun sebagai

negara maju dengan kewujudan penduduknya yang berdisiplin dan komited terhadap kerja.

Selain himpunan pengalaman dibawa pulang ke negeri matahari terbit, menurut Rena,

“At my university in Japan, my major is in International Relations. Because of that, I decided to do my practical training at UUM because Malaysia is multi-ethnic country.”

“At UUM Welcome Centre, I met many people including the representatives from companies and also international students every day. I really enjoyed my work and I could talk and took a lot pictures with the guests and visitors. Some people like Japan and know a little about Japan. That makes me happy.”

“I learned that it is important to smile and greet the guests and visitors. I always spend time with them to get to know them better and I laugh at their jokes even though I don’t understand Malay. I worked at the Information counter, I learned to organise documents, print product price tags for the gift shop using MsWord and I also accompany the guests for the campus tour.”

“UUM Welcome Centre is very clean and comfortable. It is surrounded by numerous flora and various other vegetation. The atmosphere is very fresh and relaxing.”

“At first, I was surprised when I discover the size of UUM campus area. The campus is surrounded by the forest and animals. Eventhough the location of the campus is surrounded by the forest, it is convenient and the people are very kind and I like UUM very much.”

“In the hostel where I live (Maybank), there are a lot of international students and their families. It is so unique and interesting.”

“I enjoy Malaysian food especially rice, noodle, soup, Nasi Goreng, Mi Goreng, and Laksa. Malaysian food is quite spicy and I noticed that people like spicy food and also sweet ones. The variety of food in Malaysia makes the country very unique and I can see the cultural diversity.”

“The temperature in Malaysia is about the same as Kyoto. However, the heat from the sun is very intense, so it is quite a challenge to walk outside. Most days, the weather is good, but sometimes we also experience rain storm. Malaysia is a multi-racial country and I think the cultural diversity is amazing.”

“My sweet memories: I worked at UUM Welcome Centre for 9 days. It was a very short period, but I feel that I spent a lot of time with the members of the staff. They were very kind, friendly and they helped me a lot. It was easy to work with the staff and I feel very comfortable.”

"I am very happy that my brief training at UUM Welcome Centre turned out well. I make many friends in Malaysia."

"I really appreciate the staff and I will certainly come back to Malaysia and to UUM again. I promise."

"I will never forget the time I spent in Malaysia."
