CALL FOR PAPER

**13th IMT-GT International Conference on Mathematics, Statistics and Their Applications (ICMSA 2017)
4-7 December 2017**

The 13th IMT-GT International Conference on Mathematics, Statistics and Their Applications (ICMSA 2017) will be held at the **Universiti Utara Malaysia, Kedah, MALAYSIA** from **4th – 7th December 2017**. This conference aims to share, exchange and extend knowledge of the most recent theories, issues and practices among postgraduates, academicians and practitioners. This year's conference theme is **'Elevating the Power of Mathematics and Statistics'**.

ICMSA 2017 cordially invites you to contribute original research papers and posters in all areas of mathematics and statistics including (not limited to):

- Mathematical Logic and Set Theory
- Discrete Mathematics including Combinatorics and Graph Theory
- Algebraic Structures
- Linear and Multilinear Algebra and Matrix Theory
- Category Theory, Homological Algebra and K-theory
- Lie Groups, Lie Algebras and Representation Theory
- Real and Complex Analysis
- Functional Analysis, Operator Theory and Operator Algebra
- Geometry and Topology
- Differential Equations, Dynamical Systems and Ergodic Theory
- Numerical Analysis and Scientific Computing
- Statistics, Probability Theory and Stochastic Processes
- Operations Research, Mathematical Programming and Game Theory
- Computer Science
- Applications in science, such as Engineering, Economics and Information Theory, etc.
- Mathematics Education

PUBLICATION OPPORTUNITY

The ICMSA2017 Proceedings will be published by the American Institute of Physics (AIP) Publishing in AIP Conference Proceedings indexed by SCOPUS and several other databases.

IMPORTANT DEADLINES

1. Abstract Submission (Oral & Poster Presentation): 15 June 2017
2. Notification of Acceptance: 15 July 2017
3. Full Paper/ Poster Submission: 30 July 2017
4. Payment & Registration: 1 October 2017
5. Camera-Ready Paper Submission: 1 October 2017

PUBLICATION

- All accepted papers will be published in the AIP conference proceedings ((Indexed in Scopus & ISI).
- All accompanying papers (for poster) will be published in an ISBN proceeding.
- Selected authors will be invited to prepare an extended version of their paper (more than 30% changes), which will be published in Journal of Telecommunication, Electronic and Computer Engineering (JTECE), indexed in Scopus with additional fees of RM600/ USD150.

CALL FOR PAPERS

Conference sub-themes (not limited to):

- Algebraic Structures
- Geometry and Topology
- Real and Complex Analysis
- Mathematical Logic and Set Theory
- Numerical Analysis and Scientific Computing
- Robust Statistics and Nonparametric Statistics
- Multivariate Statistical Analysis and Rasch Analysis
- Statistics, Probability Theory and Stochastic Processes
- Differential Equations, Dynamical Systems and Ergodic Theory
- Discrete Mathematics including Combinatorics and Graph Theory
- Operations Research, Mathematical Programming, Game Theory
- Applications in science such as Engineering, Economics, Education, Computer Science, etc.

Conference Fees

	Local	International
Paper Presenter		
- Standard	RM 1300	USD 330
- Student	RM 1000	USD 250
- Additional Paper	RM 600	USD 160
Participant	RM 650	USD 180
Poster (ISBN)	RM 650	USD 180
