**UUM ONLINE:** Beta Gamma Sigma (BGS) UUM Chapter did Universiti Utara Malaysia (UUM) and the country proud once again when it was named the 'Highest Honors Chapter' by BGS International for the academic year 2020-2021.

According to a statement issued by BGS Executive Director, Mdm. Christina Allrich, dated 18 August 2021, BGS UUM Chapter gained recognition based on feedback obtained during the BGS Chapter Annual Review and information available at BGS Global Headquarters.

The recognition reflects a campus where academic excellence is highly prized, and the officials engaged are working hard to strengthen Beta Gamma Sigma's position on campus.

Meanwhile, Dr. Mazrah Malik, Coordinator of the BGS UUM Chapter, stated that this was the chapter's third time receiving recognition.

"This success would not have been possible without the strong support of the university's top management including the Deputy Vice-Chancellor (Student and Alumni Affairs), UUM COB Assistant Vice-Chancellor, AACSB Accreditation Unit and Student Excellence and Leadership Centre (UUM SELECT), Department of Student Affairs.

"This achievement is also a great recognition for all members of the BGS UUM Chapter who have devoted their heart and soul to ensuring that this Chapter continues to strive and work hard even if everyone is far away," she said.

The success of the BGS UUM Chapter aligns with one of the initiatives established by UUM SELECT, namely the Award Recipient Project (A.R.T) which aims to quantify the excellence of students under its purview through achievement, competition, accrediting recognition, and grant acquisition.
