**THE APPOINTMENT OF THE EXECUTIVE DIRECTOR OF MyEG AS THE ADJUNCT
PROFESSOR INSPIRES UUM STUDENTS TO STRIVE
FOR EXCELLENCE**

UUM ONLINE: Kuala Lumpur - The appointment of the Executive Director of MyEG Services Berhad, Dato' Raja Munir Shah Raja Mustapha as an Adjunct Professor will encourage the professional growth and development of UUM students as well as inspire them to strive for excellence.

The letter of appointment was presented by the Deputy Vice-Chancellor (Academic and International Affairs), Prof. Dr. Yusnidah Ibrahim, who represented the Vice-Chancellor at the MyEG Tower Auditorium, yesterday.

Reading the text of Dato' Seri Vice-Chancellor, Prof. Dr. Yusnidah stated that the appointment of Dato' Raja Munir Shah will assist the university in evaluating and updating the curriculum at the School of Computing (Soc) to ensure that the curriculum is in keeping with the current industry requirements and this will increase the students' employment prospects.

"I am confident that Dato' Raja Munir Shah will become a strong role model for our graduates and it is our hope that he will actively assist us in educating UUM graduates especially in areas related to IT Management and Entrepreneurship by conducting a series of lectures as well as offering consultation services for curriculum and co-curricular development activities at this university.

"In addition, I hope that MyEG and the SoC will work together and explore other areas of cooperation that will bring benefits for both parties, said Prof. Dr. Yusnidah.

Meanwhile, Dato' Raja Munir Shah said, both MyEG and himself have been working closely with UUM since the past four years until his appointment (yesterday).

"I hope to offer networking opportunities for students so that they can gradually adapt themselves to the ever changing landscape of the industry.

"In this regard, we must organise a lot of discourses and sharing sessions between the industry and university so that students will be more prepared to join the industry," he added.

Dato' Raja Munir Shah is appointed as the Adjunct Professor of the SoC for a two-year period commencing 1 November 2017 to 31 October 2019.
