PRINCE OF SONGKHLA UNIVERSITY TRANG DELEGATION COMPLETED ACADEMIC MOBILITY VISIT TO TISSA-UUM

UUM ONLINE: Sintok, 13 September 2026 – The Tunku Intan Safinaz School of Accountancy (TISSA-UUM) hosted a delegation of 57 students from the Accounting and Business Information Technology departments of Prince of Songkla University (PSU) Trang on 13 September 2026.

The delegation began its cross-border journey from Trang at 4:00 a.m. and arrived at the UUM campus at approximately 2:30 p.m.

Upon arrival, the students were officially received and escorted by the TISSA-UUM Mobility Committee, led by Dr. Khairina Rosli. The welcoming ceremony featured opening remarks by the Deputy Dean (Academic and International), who spoke on behalf of the Dean, Assoc. Prof. Dr. Raja Haslinda Raja Mohd Ali.

A formal exchange of tokens was subsequently held to commemorate the partnership between the two institutions, after which the students proceeded directly to specialised parallel workshop sessions.

During the academic sessions, the accounting students participated in a workshop entitled "Accounting in the AI Era: Introduction to Cloud Accounting & Automation", facilitated by Dr. Rusman Ghani.
Meanwhile, Business IT students attended a session entitled "Digital Ethics & Cybersecurity: Protecting Assets in the Digital Workplace", led by Dr. Raudah Danila.

The TISSA-UUM campus activities concluded at 5:30 p.m., following which the delegation departed for Penang, where they stayed from 14 to 15 September.

The academic exchange continued in a virtual format from 16 September and will run until 26 September 2026. During this period, the students are attending one-hour online lectures scheduled between 9:00 a.m. and 4:00 p.m.

The virtual sessions feature presentations by Mr. Tan Chee Yu and Assoc. Prof. Dr. Azharudin Ali, providing the students with further opportunities to engage in academic discussions beyond the physical campus visit.

The physical component of the academic mobility programme was made possible through the commitment and coordination of the TISSA-UUM Mobility Committee and the staff involved. Their efforts contributed to the smooth implementation of the campus visit and strengthened the ongoing collaboration between TISSA-UUM and PSU Trang.
