UNIVERSITY IS THE MOST EXCELLENT PLACE TO GROOM FUTURE LEADERS

UUM ONLINE: Universities and schools are the best place to nurture future leaders with compassion, warmth and deep affection towards others.

The Pro-Chancellor of UUM, Yang Teramat Mulia Dato' Seri Diraja Tan Sri Tunku Puteri Intan Safinaz Binti Almarhum Sultan Abdul Halim Mu'adzam Shah remarked that, the university aspires to groom and nurture responsible and compassionate individuals who are willing to make sacrifices to defend the people and the nation.

The university also hopes to produce leaders and people who are concerned about the notion of 'We' or 'Us' and not 'me' or 'I' only.

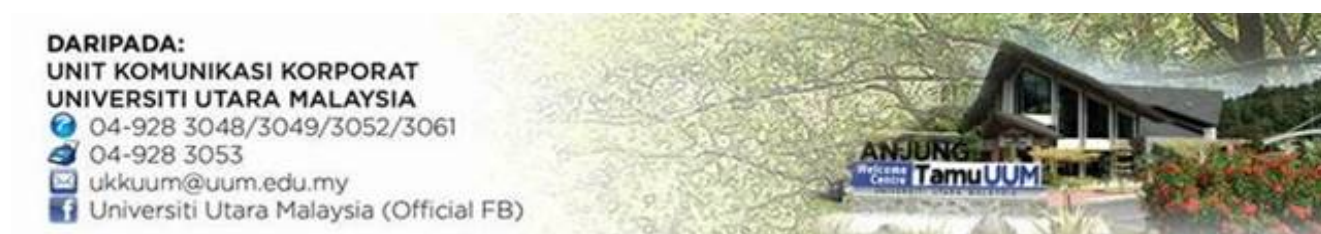

"So, how can we turn generation "Me" into generation "We"?"

"Extensive experience in the world of volunteering makes me believe that one of the ways to foster love and responsibility is to sacrifice through voluntary activities, said Yang Teramat

Mulia Dato' Seri Diraja Tan Sri Tunku Puteri Intan Safinaz in her speech during the third session of the 31st Convocation Ceremony of UUM at Mu'adzam Shah Hall.

"I am certainly pleased that UUM is one of the universities that devotes a good deal of attention to courses related to social work or volunteerism.

During the third session of the convocation ceremony, a total of 684 graduates were conferred with their respective degrees, as well as major university awards by Yang Teramat Mulia Dato' Seri Diraja Tan Sri Tunku Puteri Intan Safinaz.
