السلام عليكم ورحمة الله وبركاته

and greetings from SBM.

Dear all,

MEET THE DEAN TALK: SCHOOL OF BUSINESS MANAGEMENT (SBM) HELD A SESSION WITH
POSTGRADUATE STUDENTS

This session was held with the aim to bridge the gap between the SBM administration team and students. The Dean of SBM, Prof. Dr. Haim Hilman Abdullah in his speech, emphasized that the session should be fully utilized by the students as it will allow the students to get to know the SBM administration team closer and vice versa.

With the theme of 'help us to help you', Prof. Dr. Haim called for the students to support the management team in order to allow them to help the students back. The Dean also reminded that students should set high goals and standards in order to achieve success. The interaction session are indeed very encouraging and the students were given the opportunity to express their views and comments for the benefits of both parties.

"Prof. Dr. Haim Hilman carried on his shoulders quite a number of promises to look into the issues addressed by the students, and also promised to talk to the administration on issues that are not up to him to solve as for instance the late issuance of certificates upon graduation which may cause students to loose job opportunities they have been accepted at. Lots of hope is being put in this Meet The Dean Talk, hoping that the talk will soon be followed by plans and the plans will turn into actions for a greater SBM that can over rank Harvard Business School as Prof. Dr. Haim Hilman promised, even in a 100 years time", said Mr. Ammar J K Alqolaq representing his friend.

The session was also joined by the Deputy Dean, Head of Departments, Program Coordinators, SBM Managers, lecturers and administrative staffs. The event ended with a photography session, an overall the students were very overwhelmed and they hope that such event will be continued in the future.
